

Annual Report of Session 2017-18

The Scholars' Arena is a co-educational English Medium Sr. Sec. School that remains unrivalled as one of the pioneer educational institutions in the district right from its inception in 2001.

The school functions with a philanthropic aim of providing quality education to all sections of society. Dedicated to the service of humanity & holistic development of the children, the school aims at imparting education to enable them to grow into worthy and responsible citizens of the nation. Our primary concern is the achievement of academic excellence through various literary pursuits and co-curricular activities. Here is an account of the glorious success accomplished by the institution during the session 2017-18

For all round development of students, various competitions related to academics, extra-curricular activities personality and leadership development were organized from time to time.

Activities organized during the year

Morning Assembly- TSA begins the day with morning assembly prayer. TSA tries to include the habit of prayer in school so that the students can get spiritual power to achieve their impossibilities, task and goals of their life.

Cultural activities- TSA celebrated various kinds of cultural activities to make students aware of different cultures of India, its heritage to create socially responsible and globally relevant young citizen of India. All the students participated with Zeal & Fervour.

Festival Celebration- TSA follows the tradition of celebrating every festival with zeal & enthusiasm. This year also the tradition continued with celebration of the festivals like Guru Purnima, Independence Day, Children's Day, Vivekanand Jayanti, Gandhi and Shashtri Jayanti, Basant Panchami, Republic Day, Teachers' day, Diwali Celebration.

Investiture Ceremony- It was organized in July. Students having talent and achievements in various fields like sports, cultural & literary were made prefects of respective houses.

Inter School Competitions- The students of TSA have made the school proud by outshining in various inter school competitions and activities like quiz, Debates, Essay writing, Drawing, Patriotic songs, Speech, Dance, Group songs, Science exhibition and Sanskrit Shloka Recitation.

Annual Sports Day- Annual Sports Day Oorja 2017 was organized on 25th & 26th January 2018 which was a great success. Students participated with great enthusiasm. Various events were organized on this day and winners were awarded with medals & certificates by the guests amidst cheers and applause of parent & students.

Extramural Activities- For all round development of children various extramural activities were also conducted because a little inspiration is very necessary for the students to come out with flying colours.

International Olympiad - SOF

"Genuine success comes only to those who are ready for it: This year also our school students participated in international level Olympiads of

science, Maths and English organized by society of science education, New Delhi, India, winners of TSA were

| 11. | Sneha Choudhary | IX | | |
| 12. | Yuvraj Singh Devra | III | G.K. | Gold Medal |
| 13. | Praveer Choudhary | VIII | | |

School Picnic- The most awaited day of the year in school is picnic. This year also all the teachers and students of TSA went to marvel water park for Picnic. It was a great fun & frolic. Everybody enjoyed playing in water with music. It was a wonderful experience where students learned the value of sharing & caring for others to become more independent & tolerant with their peers & classmates.

Social Service- "Charity begins at home" so to teach the Children the value of giving Managing Committee of TSA always present by helping the poor & needy. This year also blankets and sweaters were distributed among the poor people. By this, TSA aims to create a helping nature in students, so that the students can prove themselves as good citizens of India.

Parents Teacher Meeting- Parents Teacher Meeting is a great way to help students succeed at school. It is important to report the parents, overall development of a child and activities carried out in school for the betterment of students. PTM is an important approach and opportunity to refine a child's individual learning, to make clear, specific designed plan and to make sure the roles of teacher, students and parents to bring out the best in a child.

“Great opportunity for Parent & Teacher to develop a healthy & strong relationship for the holistic development of a child”

Thus many activities were organized in the session 2017-18. By the persistent guidance of **Dr. Lokesh Jain** the Principal and the kind of support of all staff member of the institution the session 2017-18 successfully came to an end.
